In his new book, *Allergic to Hair Dye: The Complete Guide to Avoiding Allergic Reactions*, Dr. Lewis Jr. provides everything you need to know about hair dye allergies, including:

- How to identify hair dye allergies
- How to treat hair dye allergies
- How to avoid hair dye allergies in the future

Dr. Lewis Jr. is a leading expert on hair dye allergies. He has been studying hair dye allergies for over 20 years, and he has published numerous

articles and books on the subject. He is also the founder and director of the Hair Dye Allergy Clinic at the University of California, San Francisco.

In his book, Dr. Lewis Jr. provides a comprehensive overview of hair dye allergies. He covers everything from the causes of hair dye allergies to the different types of allergic reactions that can occur. He also provides detailed instructions on how to identify and treat hair dye allergies. And, most importantly, he provides practical advice on how to avoid hair dye allergies in the future.

If you're allergic to hair dye, *Allergic to Hair Dye: The Complete Guide to Avoiding Allergic Reactions* is the book you need. It's the most comprehensive and up-to-date guide to hair dye allergies available. With Dr. Lewis Jr.'s help, you can finally achieve the hair color you've always wanted without worrying about having an allergic reaction.
