Print length: 32 pages

The coyote is a central figure in many of these stories. He is a trickster, a shape-shifter, and a survivor. He is also a symbol of the human condition, with all of its strengths and weaknesses.

In one story, Coyote tricks a group of hunters into giving him their food. In another story, he helps a young woman find her lost husband. And in a third story, he teaches a group of children the importance of teamwork.

These stories are not just for children. They are for anyone who is interested in learning about the culture and beliefs of the Native American people. They are also for anyone who enjoys a good story, told with humor and wisdom.

Author's Note

I have always been fascinated by the stories of the Native American people. I love their humor, their wisdom, and their deep connection to the natural world. I have collected these stories over many years, and I am grateful to the elders who have shared them with me.

I hope that these stories will bring you as much joy and inspiration as they have brought me.

Reviews

"Coyote Trickster Tale From The American Southwest is a wonderful collection of stories that offer a unique glimpse into the culture and beliefs of the Native American people. These stories are full of humor, wisdom, and adventure, and they are sure to entertain and inspire readers of all ages."

- Publishers Weekly

"Coyote Trickster Tale From The American Southwest is a beautiful book that is sure to become a classic. The stories are well-written and engaging, and the illustrations are stunning. I highly recommend this book to anyone who is interested in Native American culture or who simply enjoys a good story."
