In **Epic Measures**, Dr. Sanjay Gupta takes readers on a journey around the world to explore the hidden health crises affecting billions of people.

From the slums of India to the villages of Africa, Gupta investigates the root causes of some of the world's most pressing health challenges, including poverty, disease, and malnutrition.

Gupta also offers solutions that can save lives, such as simple interventions like providing clean water and sanitation, and teaching people about basic health practices.

Epic Measures is a powerful and inspiring book that will change the way you think about global health.
