Early Years and Education

Franklin Roosevelt was born on January 30, 1882, into a wealthy and influential family in Hyde Park, New York. From a young age, he exhibited an exceptional intellect and a keen interest in politics. He attended Groton School in Massachusetts and then Harvard University, where he graduated with honors in 1904.

Political Career

Roosevelt's political career began in 1910 when he was elected to the New York State Senate. He quickly rose through the ranks, serving as Assistant Secretary of the Navy from 1913 to 1920. In 1920, he was elected Vice President on the Democratic ticket alongside James M. Cox. Roosevelt

played an active role in the administration, overseeing federal agencies and representing the United States on international missions.

Presidential Election and the Great Depression

In 1932, Roosevelt was elected President of the United States during the depths of the Great Depression. His presidency marked a turning point in American history, as he implemented bold and innovative programs aimed at stimulating the economy and providing relief to the millions of Americans who were struggling.

New Deal Programs

Roosevelt's New Deal programs, such as the Civilian Conservation Corps, the Tennessee Valley Authority, and the Social Security Act, had a profound impact on the nation. These programs provided jobs, created infrastructure, and established a safety net for the elderly, the unemployed, and the disabled.

World War II

As the threat of World War II loomed, Roosevelt played a leading role in preparing the United States for the conflict. He provided aid to Allied nations, such as Great Britain and France, and authorized the development of the atomic bomb. After the Japanese attack on Pearl Harbor in 1941, the United States entered the war alongside the Allies.

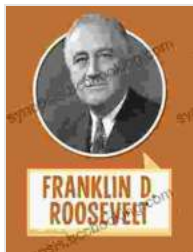

Legacy and Impact

Franklin Delano Roosevelt died on April 12, 1945, less than a month after the United States emerged victorious from World War II. His legacy continues to inspire and shape American politics today. He is widely regarded as one of the most consequential presidents in American history, having led the nation through two major crises and ushering in an era of significant social and economic transformation.

Laura Murray's biography of Franklin Roosevelt provides a comprehensive and engaging account of his life and work. Drawing on extensive research, Murray paints a vivid portrait of a complex and charismatic figure who left an enduring mark on the United States and the world.
