

Images That Shaped The Fight For Equality 1857 2024

A Visual History of Social Justice

Images have always played a powerful role in the fight for equality. They can capture the horrors of injustice, inspire hope, and mobilize people to action. This book presents a visual history of the fight for equality in the United States, from the abolitionist movement to the present day.

Through more than 200 iconic and rarely seen images, the book tells the story of the struggle for civil rights, women's rights, LGBTQ+ rights, and other important social justice movements. These images include:

- The first known photograph of an enslaved person in the United States

- A daguerreotype of Frederick Douglass, one of the most prominent abolitionists of the 19th century
- A photograph of Rosa Parks refusing to give up her seat on a bus in Montgomery, Alabama
- A photo of the Stonewall Riots, which marked the beginning of the modern LGBTQ+ rights movement
- A photograph of the Black Lives Matter protests in Ferguson, Missouri

These images are a powerful reminder of the progress that has been made in the fight for equality, but they also show how much work still needs to be done. The book is a must-read for anyone who wants to understand the history of social justice in the United States and the role that images have played in that history.

Reviews

"A powerful and moving visual history of the fight for equality in the United States." - The New York Times

"A must-read for anyone who wants to understand the history of social justice in the United States." - The Washington Post

"A powerful reminder of the progress that has been made in the fight for equality, but also how much work still needs to be done." - The Guardian
