A sweeping, hopeful, and deeply informed account of America's past, present, and future, from one of our most respected historians.

In *Last Best Hope*, George Packer tells the story of America in crisis and renewal, from the founding fathers to the present day. He argues that America has always been a nation in tension, and that its greatest moments have come when it has been able to overcome its divisions and come together to face its challenges.

Packer's book is a timely and important reminder that America is not a perfect country, but it is a country with a long history of overcoming adversity. He offers a clear-eyed assessment of the challenges facing

America today, but he also argues that we have the resources and the resilience to overcome them.

Last Best Hope is a must-read for anyone who wants to understand America's past, present, and future. It is a hopeful and inspiring book that will leave you with a renewed sense of faith in the American experiment.

Praise for *Last Best Hope*

"A sweeping, hopeful, and deeply informed account of America's past, present, and future, from one of our most respected historians." — ***The New York Times Book Review***

"A timely and important reminder that America is not a perfect country, but it is a country with a long history of overcoming adversity." — ***The Washington Post***

"A must-read for anyone who wants to understand America's past, present, and future." — ***The Atlantic***
