Roone Arledge was one of the most influential figures in the history of television. He was the president of ABC News and Sports from 1968 to 1998, and he is credited with creating some of the most iconic moments in television history, including the Monday Night Football halftime show and the Nightline news program.

Arledge was born in New York City in 1931. He graduated from Columbia University in 1953 and began his career in television as a producer for NBC News. In 1960, he joined ABC News as a sports producer and quickly rose through the ranks. In 1968, he was named president of ABC News and Sports.

Under Arledge's leadership, ABC News and Sports became one of the most successful and respected news and sports organizations in the world. Arledge was a pioneer in the use of new technologies, such as satellite transmission and computer graphics. He also had a knack for spotting and developing talent, and he brought some of the biggest names in journalism and sports to ABC.

Arledge retired from ABC in 1998. He died in 2002 at the age of 71.
