Within the grand walls of a century-old hotel, secrets unfold, characters intertwine, and history whispers its tales. This enchanting novel takes you on a literary adventure that will linger in your mind long after you turn the final page.

A Tapestry of Compelling Characters

"Storeys from the Old Hotel" introduces a cast of characters as diverse as the hotel itself. From the enigmatic hotel manager, haunted by a tragic past, to the quirky bellhop with an uncanny knack for storytelling, each individual brings their unique voice and perspective to the narrative.

Meet the enigmatic Miss Marple-esque spinster, whose keen observations and sharp wit unveil the hidden truths beneath the hotel's polished exterior. Encounter the enigmatic couple, their love story shadowed by secrets and regrets. And witness the transformation of a young chambermaid, who finds her own voice amidst the hotel's bustling corridors.

An Intricate Plot that Unravels with Every Page

As the narrative unfolds, a web of interconnected stories begins to emerge, each thread woven with historical details and captivating personal journeys. The novel deftly navigates the passage of time, effortlessly transporting readers between the hotel's opulent past and its present-day grandeur.

Unveiling long-buried secrets, "Storeys from the Old Hotel" traces the lives of those who have passed through its doors over the years. It explores the complexities of human nature, the enduring power of love, and the haunting weight of the past.

An Immersive Setting that Transports You

The Old Hotel itself becomes a character in its own right, its majestic architecture and labyrinthine corridors providing the perfect backdrop for this captivating tale. Each room, each staircase, and each hidden corner whispers its own story, adding depth and texture to the narrative.

Through evocative descriptions and vivid imagery, the author transports readers into the heart of this grand establishment, allowing them to experience its allure and unravel its secrets alongside the characters.
