

Stop Aimlessly Working - Stop Coming Over the Top, A Revolutionary Book That Will Change Your Golf Game Forever

If you're a golfer, you know that the key to a good swing is to hit the ball first and then the ground. But what happens when you come over the top? You

end up hitting the ground first and then the ball, which results in a weak, inaccurate shot.

In his new book, *Stop Coming Over the Top*, renowned golf instructor Clay Ballard reveals the secrets to hitting the ball first and every time. With over 30 years of experience teaching golfers of all levels, Ballard has developed a revolutionary method that will help you:

- Improve your accuracy and distance
- Hit the ball more consistently
- Lower your scores

Ballard's method is based on the simple principle of "swinging down." When you swing down, you're using gravity to your advantage. This allows you to hit the ball with more power and accuracy.

In *Stop Coming Over the Top*, Ballard provides step-by-step instructions on how to swing down. He also includes dozens of drills and exercises that will help you improve your swing.

If you're serious about improving your golf game, then you need to read *Stop Coming Over the Top*. This book will help you take your game to the next level.
