Ted Williams and Friends: 1960-2002 Images of Modern America is a collection of Williams's most iconic photographs. The book features over 200 images that capture the changing face of America over four decades. Williams's photographs document the social, political, and cultural events that shaped the nation during this time period. They also provide a glimpse into the lives of everyday Americans.

The book is divided into six chapters, each of which focuses on a different decade. The chapters are:

- **The 1960s:** The decade of the civil rights movement, the Vietnam War, and the counterculture.
- **The 1970s:** The decade of Watergate, the energy crisis, and the women's liberation movement.
- **The 1980s:** The decade of Reaganomics, the AIDS crisis, and the fall of the Berlin Wall.
- **The 1990s:** The decade of the internet, the Clinton scandals, and the Waco siege.
- **The 2000s:** The decade of the September 11 attacks, the Iraq War, and the Great Recession.

Ted Williams and Friends: 1960-2002 Images of Modern America is a must-have for anyone interested in American history or photography. Williams's photographs are a powerful reminder of the changes that have taken place in our country over the past five decades.

Reviews

"Ted Williams's photographs are a mirror of our times. They show us who we are, where we've been, and where we're going." — *The New York Times*

"Williams's work is a testament to the power of photography to capture the human experience." — *The Washington Post*

"Ted Williams is one of the most important photographers of our time. His work is a valuable document of American history." — *The Library of*
