The book begins with a brief history of the Cheyenne people, from their origins in the northern Great Plains to their migration to the Southern Plains in the 18th century. Grinnell then describes the Cheyenne people's first encounters with white settlers and the United States government, and the growing tensions that led to the outbreak of war in 1864.

The book follows the Cheyenne people through a series of battles and skirmishes, as they fought to defend their land and their way of life. Grinnell provides detailed accounts of some of the most famous battles of the Indian Wars, including the Battle of Beecher Island and the Battle of the Little Bighorn.

The book also explores the Cheyenne people's culture and way of life, and their struggle to maintain their identity in the face of assimilation and oppression. Grinnell provides a sympathetic and nuanced portrait of the Cheyenne people, and their fight for survival.

## **Review**

The Fighting Cheyennes is a classic work of Western American history, and a must-read for anyone interested in the Indian Wars. Grinnell's writing is clear and engaging, and he provides a detailed and nuanced account of the Cheyenne people's struggle for survival. The book is a valuable resource for historians and scholars, and a great read for anyone interested in the history of the American West.

## **Author**

George Bird Grinnell was a renowned naturalist and ethnologist. He was born in Iowa in 1849, and he grew up in the American West. Grinnell was a close friend of many Native American tribes, and he spent many years studying their cultures and way of life.

Grinnell wrote extensively about the American West, and his books and articles are a valuable source of information for historians and scholars. He was a strong advocate for Native American rights, and he worked to preserve their culture and way of life.
