The Long War is the second book in The Long Earth series by Terry Pratchett and Stephen Baxter. It follows the survivors of the Long Earth as they struggle to rebuild their lives in a strange and dangerous new world.

In the first book in the series, The Long Earth, humanity discovered a way to travel to parallel Earths. These Earths are all slightly different from our own, and some are much more dangerous.

In The Long War, the survivors of the Long Earth are trying to find a new home. They have settled on a parallel Earth called Datum Earth, but it is not without its dangers. Datum Earth is home to a group of hostile natives who are determined to drive the humans out.

The survivors of the Long Earth must find a way to defend themselves and their new home. They must also find a way to live together in peace. The Long War is a story of survival, hope, and the power of human resilience.
