Tommaso Buscetta was a member of the Sicilian Mafia for over thirty years. He was a high-ranking member of the Corleonesi clan, one of the most powerful and violent Mafia clans in Sicily. In 1983, Buscetta broke the Mafia code of silence and became an informant for the Italian police. His testimony helped to convict over 400 Mafiosi, including the boss of the Corleonesi clan, Salvatore Riina.

Buscetta's decision to become an informant was a dangerous one. He knew that the Mafia would never forgive him for betraying them. He and his family were forced to live under police protection for the rest of their lives.

But Buscetta never wavered in his determination to bring down the Mafia. He testified against his former comrades, even though he knew that it could cost him his life. His courage and determination helped to change the course of the war against the Mafia. Thanks to Buscetta's testimony, the Mafia was finally defeated in Sicily.

The War Against The Mafia: The Executioner is a gripping and inspiring story of one man's courage and determination. It is a story that shows that even one person can make a difference in the fight against organized crime.
