By George W. Bush and Bill Clinton

In their new book, *Two Presidents, Three Mistakes, and One Great Weekend*, George W. Bush and Bill Clinton offer a unique perspective on the relationship between two of the most powerful men in the world, and how their friendship helped to shape the course of history.

The book is based on a series of conversations that the two former presidents had over a weekend at Camp David in 2005. In these conversations, they discussed some of the biggest challenges that they faced during their time in office, including the wars in Iraq and Afghanistan, the Hurricane Katrina disaster, and the financial crisis of 2008.

Bush and Clinton also discussed their personal lives, their families, and their faith. They found that they had much in common, despite their different political views. They both agreed that the most important thing in life is family, and that they were both committed to serving their country.

Two Presidents, Three Mistakes, and One Great Weekend is a fascinating and insightful book that offers a unique perspective on the relationship

between two of the most powerful men in the world. It is a must-read for anyone interested in history, politics, or leadership.

Praise for Two Presidents, Three Mistakes, and One Great Weekend

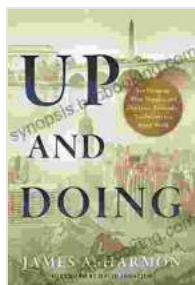

"A fascinating and insightful book that offers a unique perspective on the relationship between two of the most powerful men in the world." - The New York Times
