As two daughters of a Jamaican-Indian immigrant, Kamala and Maya grew up in a household filled with ambition and a deep-rooted belief in the power of education. Their parents, Shyamala Gopalan Harris and Donald Harris, instilled in them the importance of pursuing their dreams with determination and a compassionate heart.

## **Early Life and Education**

Kamala, the elder sibling, was born in Oakland, California, in 1964. Maya, five years her junior, was born in Chicago, Illinois, in 1969. Growing up in Berkeley, they shared a close bond, spending countless hours playing, learning, and dreaming together.

From a young age, Kamala exhibited a strong sense of justice and a passion for advocacy. She often stood up for those who were being treated unfairly, whether it was her classmates or her siblings. Maya, on the other hand, was known for her intelligence, creativity, and infectious laughter.

Both sisters went on to attend Howard University, a historically Black university in Washington, D.C. Kamala earned a degree in political science and economics, while Maya studied sociology and public policy. Their time at Howard shaped their perspectives on race, gender, and social justice, and ignited a passion in them to make a difference in the world.

### **Career Journeys**

After graduating from law school, Kamala embarked on a successful career in law enforcement and politics. She served as the District Attorney of San Francisco from 2004 to 2011, and as the Attorney General of California

from 2011 to 2017. In 2017, she was elected to the U.S. Senate, becoming the second African American woman ever to serve in that body.

Maya, too, pursued a career in public service. She worked as a public policy advisor to several Democratic politicians, including Senator Edward M. Kennedy. She later became the CEO of the American Civil Liberties

Union (ACLU) of Northern California, where she fought for civil rights and social justice.

### **Sisterhood and Unwavering Support**

Throughout their lives, Kamala and Maya have remained close confidantes and unwavering supporters of each other. They have stood by each other

through challenges and celebrated each other's triumphs.

Maya has often spoken about the profound impact her sister has had on her life. She credits Kamala with inspiring her to pursue her dreams and to always strive for excellence. Kamala, in turn, has credited Maya with being her constant source of encouragement and support.

Kamala's election as Vice President of the United States in 2020 was a historic moment, not only for her but for the nation. She became the first woman, the first African American, and the first Asian American to hold that office.

Maya continues to be a powerful voice for social justice and civil rights. She is a frequent speaker, writer, and advocate on issues of race, gender, and equality.

### **Kamala and Maya's Big Idea**

At the heart of Kamala and Maya's story lies a powerful idea that has guided their lives and inspired their work: the belief that anything is possible if you have the courage to dream big and the unwavering support of those around you.

This idea is captured in the title of their book, "The Truths We Hold: An American Journey." In this memoir, Kamala and Maya share their personal

stories, offering insights into their childhood, their family, and the challenges and triumphs they have faced along the way.

Through their words, Kamala and Maya hope to inspire others to believe in themselves and to pursue their dreams, no matter how big or small they may seem. They remind us that we are all capable of achieving great things when we have the courage to embrace our potential and the support of those we love.

The story of Kamala and Maya Harris is a testament to the power of sibling love, perseverance, and the unwavering belief in one another. Their journey is an inspiration to us all, reminding us that anything is possible when we dream big and have the support of those who believe in us.
